Maryland DAR Scholarship Information

An investment in knowledge always pays the best interest.

-Benjamin Franklin

This year, Maryland State Society Daughters of the American Revolution will award a \$1500.00 scholarship to a graduating Maryland High School Senior who is a citizen of the United States. Applicants pursuing an Associate's or Bachelor's degree at an accredited college or university are eligible. Scholarships are renewable for up to an additional 3 years upon annual review and approval of an official college transcript by the state chairman. It is expected that students maintain a minimum 3.0 GPA.

Each student should complete the application, with additional required documentation, and submit everything to his or her sponsoring MSSDAR Chapter Scholarship Chairman, or Chapter Regent, no later than **January 15th**. The sponsoring chapter will then review the forms for completeness, talk with the student, if possible, write a letter of recommendation, sign the application, and submit the package to the state chairman postmarked no later than **January 31st**.

Only complete applications submitted in one package on time from the chapter will be considered. Packages are not returned to the chapter or the student. Chapters may sponsor more than one student.

Scholarships are awarded without regard to age, race, religion, sex, or national origin. Awards are based on academic excellence and financial need. Neither applicants nor their families are required to be members of DAR, SAR or C.A.R.

Winners and their sponsoring chapters will be notified by the state chairman in February. Winners will be invited to accept their award, and sponsoring chapters will be recognized, at the Maryland State Conference in May. Scholarships will be sent to the college by the MSSDAR State Treasurer in late July or early August. Any unused portion of the award must be returned.

Applications for the Maryland DAR Scholarship should be sent to this Chairman:
